Don't forget to fill out, submit(as required) and post(Form 300A only) your OSHA 300 logs February 1 – April 30. Forms can be found at <https://www.osha.gov/recordkeeping/forms> (<https://www.osha.gov/recordkeeping/forms>).

Recordables are an illness that is work-related and result in one of the following:

- Death
- Days away from work
- Restricted work or transfer to another job
- Medical treatment beyond first aid
- Loss of consciousness
- A significant injury or illness diagnosed by a physician or other licensed health care professional.

The forms must be filled out even if no recordable illnesses have occurred.
